DETAILED ACTION

1. This is responsive to the amendment filed 7/8/05. Claims 1, 3, 5, 7 and 9-22 are pending.
2. Claims 11, 12, 15, 21 and 22 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
 - A. As per claim 11, "the first route search conditions" lacks antecedence. Note claim 1 refers to only a single first route search condition.
 - B. As per claim 12, "the second route search conditions" lacks antecedence. Note claim 1 refers to only a single second route search condition.
 - C. As per claims 15 and 22, "the moving object" lacks antecedence.
 - D. As per claim 21, "the mobile body" lacks antecedence.
3. Claims 1, 3, 5, 7 and 9-22 are distinguishable over the prior art. As per claims 1, 3, 5, 7 and 16, the prior art of record does not show or reasonably suggest, in combination with the other claimed subject matter, determining one of three possible new travel routes based on the veering state/characteristic of a mobile object from a previously determined route. Dependent claims 9-15 and 17-22 are distinguishable for at least the same reasons.
4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after

Art Unit: 3661

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
